

These Ready-Made Program Project Terms of Use (“**Ready-Made Terms**”) are part of and incorporate by reference the Upwork User Agreement and other Terms of Service. The Ready-Made Terms are in addition to and do not supersede, replace, or limit other similar terms in the Terms of Service. Capitalized terms not defined herein are defined in the User Agreement or elsewhere in the Terms of Service.

YOU AGREE TO BE BOUND BY THE READY-MADE TERMS. IF YOU DO NOT ACCEPT THE READY-MADE TERMS, YOU MAY NOT ACCESS OR USE ANY READY-MADE SERVICES FOR ANY PROJECT.

SECTION 1. READY-MADE PROJECT SERVICES DEFINED

The Ready-Made Program aims to help Clients use the Site to post projects quickly and efficiently. For this purpose, Upwork may make sample project descriptions and budgets available for optional use and help connect Clients with Freelancers who have indicated interest in completing such projects (“**Ready-Made Services**” and such projects posted by Clients, “**Ready-Made Projects**”). If such sample project descriptions and budgets are not acceptable to Clients or not appropriate for the scope of the project, Client will post a project outside of the Ready-Made Program. Upwork will assist Clients in using the Site if needed. If Freelancer does not consider the terms acceptable for any reason or for no reason at all, Freelancer is under no obligation to accept any Ready-Made Project.

SECTION 2. SCOPE AND LIMITATIONS

Ready-Made Services may be used subject to the following parameters and limitations, which you understand and acknowledge.

Clients may only use Ready-Made Services when they conclude that the scope and price are appropriate for their project. If the Client has needs that are not consistent with the Ready-Made Projects, Client agrees that Client will post projects without using Ready-Made Services.

Freelancer is under no obligation whatsoever to accept any Ready-Made Project at all, and, if the Freelancer chooses, may decline every Ready-Made Project. Freelancer’s acceptance or non-acceptance of any Ready-Made Project will not affect in any way Freelancer’s ability to continue to use the Site for their business needs. By accepting a Ready-Made Project, Freelancer understands and agrees that Freelancer will enter into a Services Contract directly with the Client on the stated terms.

All information about a project, Freelancer or Client obtained in connection with Ready-Made Services is intended to be illustrative only and will not constitute any requirement, guarantee or warranty by Upwork. Users have discretion whether to contract with each other and, if they do not agree to the terms of the Ready-Made Projects, agree that they will negotiate and determine the specific terms of their Service Contracts with each other. Users choose whether to use any Ready-Made Project and may enter into new Services Contracts to add any milestones to their Service Contracts and/or post different terms using the job post, contract offer or other features available on the Site.

SECTION 3. ROLE OF UPWORK AND CLIENT RESPONSIBILITIES

You understand and agree that Upwork is not a party to any Service Contract, is not involved in or responsible for any work performed by Freelancers, and has no control over any Freelancer or Client. Upwork does not have any power or authority to, and does not, determine any eligibility standards for any Services Contract, select or contract any Freelancer to provide services to a Client, determine or control any term or condition of the Service Contract or Project, or cause any Freelancer to accept any Service Contract or perform any Freelancer Services.

SECTION 4. OTHER TERMS

Together with the Upwork User Agreement and other Terms of Service, these Ready-Made Terms represent the entire agreement with Upwork and supersede all prior agreements and understandings with respect to the matters covered. You agree that you did not accept the Ready-Made Terms based on any representations, whether written or oral, other than those contained herein. No modification or amendment to the Ready-Made Terms, nor any waiver of any rights, will be effective unless in writing signed by you and Upwork. Notwithstanding the foregoing, to the extent permitted by applicable law, Upwork may amend the Ready-Made Terms with prior notice at any time. Your continued use of the Ready-Made Services after the effective date of a revised version of the Ready-Made Terms or notice to you of updated Ready-Made Terms constitutes your acceptance of its terms and agreement to be bound by its terms.
