Subscriber is responsible for its Authorized Users' use of the Platform and will take reasonable steps to ensure that their use of the Platform complies with the terms of this Agreement. During the Term, Upwork may modify the features and functionality of the Platform. Subscriber

hereby acknowledges that its access to and use of the Platform will be via the internet only. Subscriber shall take reasonable steps to prevent unauthorized access to the Platform, including without limitation by protecting Authorized User passwords and other login information. Subscriber shall promptly notify Upwork if it becomes aware of any unauthorized use of the Platform and will reasonably cooperate with Upwork to remediate such breaches.

- b. **Program Management and Other Services.** If Subscriber requests Program Management Services from Upwork, then Subscriber authorizes Upwork personnel to access Subscriber's Upwork enterprise account and take actions on the Platform on behalf of Subscriber as directed by Subscriber, including without limitation, posting projects, creating User Content, preparing and offering contracts on the Platform to Freelancers, releasing payments, and closing such contracts upon completion of the work. All actions performed by program management personnel in Subscriber's Upwork enterprise account will be considered to be actions by and at the direction of Subscriber. Any use by Subscriber of Program Management Services or other services listed on the Order Form will not alter, reduce or eliminate any Subscriber responsibilities under this Agreement, including without limitation worker classification. Subscriber agrees to enroll any Freelancer that should be classified as an employee in Upwork Payroll Services, and, unless otherwise instructed by Subscriber, any Service Contracts opened in Subscriber's Upwork Enterprise account by program management personnel will be established as independent contractor relationships.
- c. **Affiliates.** Subscriber's Affiliates are permitted to contract for Services and to use the Platform pursuant to the terms of this Master Subscription Agreement by either (i) directly entering into an Order Form with Upwork, which will be governed under the terms of this Master Subscription Agreement (an "Affiliate Order Form") or (ii) if authorized by Subscriber, using the Platform as an Authorized User under Subscriber's account. By entering into an Affiliate Order Form directly with Upwork, (a) Subscriber's Affiliate agrees to be bound by the terms of this Master Subscription Agreement as if a direct party hereto and all applicable terms that apply to "Subscriber" in this Master Subscription Agreement will be deemed to apply to the Affiliate for the purposes of its use of the Platform and Upwork's Services and (b) in the event that this Agreement terminates or expires with respect to the Subscriber, the terms of this Agreement shall still remain in effect for the Affiliate until the sooner occurrence of either the expiration of the Affiliate Order Form or termination by the Affiliate. By authorizing an Affiliate to use Subscriber's account as an Authorized User, (1) Subscriber agrees to be directly responsible for all costs and fees incurred by such Affiliate, which will be directly billed to Subscriber and (2) Subscriber will be responsible for its Affiliates' compliance with this Master Subscription Agreement. If an Affiliate of Subscriber that establishes a relationship with Upwork under this provision ceases to be an Affiliate of Subscriber, then the relevant Affiliate Order Form will terminate with respect to such Services in accordance with Section 4.4 (Effect of Termination and Survival).
- d. **Freelancer Services.**
  - i. **Freelancer Relationship.** If and after the Freelancer has agreed to provide Freelancer Services to Subscriber and has executed a Service Contract and any other necessary agreements, Subscriber and Freelancer will work directly together. Upwork will not supervise, control, or otherwise be responsible for the performance of the Freelancer Services by Freelancer. If there is a dispute between Subscriber and Freelancer, that dispute is solely between Subscriber and the Freelancer and Upwork will not be responsible or liable to either Subscriber or Freelancer with respect to such dispute.
  - ii. **Hourly Work for Independent Contractors.** For hourly work performed by Freelancers classified as independent contractors, Subscriber will have the opportunity to dispute the Freelancer billing entries as described by this paragraph. The Freelancer billing period begins Mondays at 00:00

midnight UTC and ends Sundays at 23:59 UTC (the “Weekly Billing Period”). Following each Weekly Billing Period, Subscriber has from Monday at 12 noon UTC until Friday at 23:59 UTC to review the Freelancer’s billing entries and, if applicable, their Work Diary, and file a dispute through the Platform if Subscriber disputes the hours billed by the Freelancer (the “Subscriber Review Period”). If Subscriber does not file a dispute during the Subscriber Review Period, then (i) Subscriber will be deemed to have irrevocably approved the time billed and irrevocably accepted the work performed by the Freelancer during the time reflected on the Platform and (ii) Upwork will be authorized and instructed to make payment to Freelancer for time reflected on the Platform.

- iii. Hourly Work for Employees. For hourly work performed by Freelancers classified as employees, (i) Subscriber will be deemed to have automatically approved all hours worked, including overtime and (ii) Subscriber authorizes and instructs Upwork to make payment to Freelancer for time reflected on any weekly time sheet, including overtime payments. For Freelancers engaged by Upwork or Employment Provider as employees, Subscriber agrees to comply with all applicable laws (e.g., not requiring or encouraging any Freelancer to work without recording time, not discouraging or prohibiting Freelancers from taking any meal or rest periods authorized by law) and acknowledges and agrees that overtime wages are included in the Freelancer Payments and Costs to be reimbursed by Subscriber.
  - iv. Milestone Work. For Engagements where Freelancer Payments are tied to the completion of milestones, Subscriber must approve or reject milestone approval requests through the Platform within 14 calendar days after such approval requests are submitted through the Platform. Subscriber acknowledges and agrees that in the event Subscriber fails to approve or reject a submitted milestone approval request within such 14 calendar day period, then (i) the Freelancer Services or Freelancer Work Product reflected in the milestone approval request will be deemed irrevocably accepted by Subscriber, and any payment associated with the milestone will be deemed irrevocably approved by Subscriber and (ii) Upwork will be authorized and instructed to make payment to Freelancer for such milestone.
  - v. Arbitration with Freelancer. Subscriber shall enter into an agreement with each Freelancer for each Engagement that includes a provision requiring that any and all disputes between Subscriber and Freelancer will be subject to individual arbitration and include a waiver of all class and collective actions. In addition, the arbitration provision must expressly identify Upwork, including its affiliates, officers, and directors, as a third-party beneficiary of such arbitration provision.
- e. On-Site Engagements. Subscriber is responsible for the safety and protection of Freelancers while such Freelancers are performing Freelancer Services on Subscriber’s premises or at such other location(s) as designated by Subscriber. Subscriber will comply at all times with all applicable laws and regulations related to Freelancer’s performance of the Freelancer Services, including without limitation, laws, and regulations related to work environment safety and conduct and laws related to illegal discrimination, harassment and retaliation.
- f. Restrictions. Subscriber will not: (i) license, sublicense, sell, resell, distribute, transfer, assign or otherwise commercially exploit or make available to any third party, the Platform or the Services, except as expressly permitted herein; (ii) modify or make derivative works based on the Services or otherwise violate Upwork’s intellectual property rights in the Services; (iii) reverse engineer or access the Services for any reason that is

not expressly authorized under this Agreement, including in order to (a) build a competitive product or service or access the Services for the purposes of monitoring performance, availability, functionality, or for any benchmarking or competitive purposes, (b) build a product using similar ideas, features, functions or graphics of the Service, or (c) copy any ideas, features, functions or graphics of the Services; (iv) transmit information that identifies or relates to natural persons (“Personal Data”) or confidential financial information through the Platform; (v) submit or post User Content or other material to the Platform that is fraudulent, discriminatory, abusive, spamming, infringing, obscene, threatening, defamatory, unlawful, tortious, or otherwise objectionable to a reasonable person; (vi) submit or post User Content or other material to the Platform that violates applicable law or the privacy rights, publicity rights, or intellectual property rights of any third party (vii) submit or post User Content or other material to the Platform that contains viruses, worms, Trojan horses, spam, or other harmful computer code, files, scripts, agents, or programs; (viii) interfere with or disrupt the integrity or performance of the Services or the data contained in it, including engaging in denial of service attacks; (ix) attempt to gain unauthorized access to the Services or its systems or networks; or (x) use the Services in violation of applicable law. Subscriber will not encourage any third party to violate these restrictions. Although Upwork is not responsible for Subscriber’s User Content, it is permitted to monitor User Content and reserves the right to delete any User Content (in whole or in part) that Upwork determines in its reasonable discretion violates this provision or any other part of this Agreement or which is inappropriate.

- g. Upgrading/Downgrading. In the event that Subscriber decides to Upgrade or Downgrade (as those terms are defined below), then, in addition to such other terms as the parties may need to agree to in connection with such Upgrade or Downgrade, Subscriber authorizes Upwork to migrate Freelancer contracts related to existing Engagements between service tiers by opening a new contract on the new service tier and then closing the old contract on the old service tier. If no end date is indicated on the old contract, the new contract will be established with a six month duration. In the event the old contract is either (i) a fixed price contract with no incomplete milestones or (ii) an hourly contract that has not had payments made under it over the past six months, then the old contract will only be closed on the old service tier and a new contract will not be entered into on the new service tier. Subscriber acknowledges that it will not be able to leave feedback for Freelancers for Engagements under contracts that are closed by Upwork pursuant to this provision. For the purposes of this provision, “Upgrade” means Subscriber’s election to utilize the Platform in a higher service tier and “Downgrade” means Subscriber’s election to utilize the Platform in a lower service tier.

### 3. FEES AND PAYMENTS.

- a. Enterprise Billing Services. Upwork will make, or cause to be made, Freelancer Payments and Costs on behalf of Subscriber in accordance with this Agreement. Upwork will bill Subscriber in arrears on a monthly basis for all such payments made by Upwork and all applicable fees and costs. Subscriber’s ability to use Enterprise Billing Services described in this Section is subject to Upwork’s approval of a credit limit for Subscriber and limited by the amount of that approval. Upwork may at any time without notice, grant, deny, limit, extend, withdraw, increase or decrease credit to Subscriber at its sole discretion.
- b. Billing and Payment. Subscriber shall pay Upwork the fees set forth in the Order Form in accordance with the terms and conditions contained therein, in addition to all Freelancer Payments and Costs. Subscriber shall pay all invoices within the time period stated on the Order Form, measured from the date of the invoice. Payment obligations are non-cancelable and non-refundable. Any late payments are subject to a finance charge equal to the lesser of 2% per month or the maximum permitted by law, plus reimbursement for collection expenses. All amounts specified in the Order Form are in U.S. dollars. All amounts hereunder will be invoiced in, and must be paid in, U.S. dollars. The pricing during any Renewal Term will be the same as

that during the prior Term period unless Upwork provides written notice of a price change at least 30 days before any renewal notice is due, in which case the pricing increase will be effective upon the commencement of the subsequent Renewal Term. Billing for any pricing increases will commence in the month following the renewal month in which the Order Form was renewed.

- c. **Freelancer Service Fee.** Upwork normally charges Freelancers a fee stated on the Platform. However, if a Freelancer is a BYO Freelancer or if the Freelancer is engaged via Upwork Payroll Services, Upwork will not charge such fee to the Freelancer for any work the Freelancer performs for Subscriber as a BYO Freelancer or via Upwork Payroll Services.
- d. **Upwork Payroll Services.** If Subscriber requests Upwork to hire a Freelancer classified as an employee via the Upwork's Payroll Services, Subscriber will pay the applicable Upwork Payroll Fee. Employment Provider will enter into an employment relationship with the applicable Freelancer that governs the provisioning of Freelancer Services and Freelancer Work Product. In such case, the standard Service Fee or BYO Service Fee, as applicable, will be applied to (i) Freelancer Payments and Costs and (ii) the Upwork Payroll Fee. The Upwork Payroll Fee, as stated in the Order Form, applies to Freelancers located in the United States only. The Upwork Payroll Fee for international Freelancers varies by country. The Upwork Payroll Fee and all Employment-Related Costs will be provided to Subscriber for approval prior to the Employment Provider hiring the relevant Freelancer.
- e. **Taxes.** All fees and charges payable in connection this Agreement or an Order Form are exclusive of Taxes. Subscriber will be responsible for promptly paying or reimbursing, as the case might be, all Taxes arising in connection with this Agreement (without any offset or deduction to the fees paid to Upwork). For countries where Upwork is not registered to collect indirect Taxes, Subscriber will pay such Taxes via reverse charge mechanism to the appropriate tax authority. Subscriber will reimburse Upwork for any deficiency relating to Taxes that are Subscriber's responsibility under this Agreement. The parties will cooperate in good faith to minimize Taxes to the extent legally permissible and will provide each other with any applicable Tax exemptions or certificates as reasonably requested and notify the other party if any such exemption or certificate is subsequently revoked or modified. If applicable, Subscriber shall communicate to Upwork its VAT or GST identification number(s) attributed by (i) the country where Subscriber has established its business or (ii) any other country where Subscriber has established a fixed establishment to which Upwork's Services are provided. Upwork shall consider the Services under this Agreement to be for Subscriber's business use and provided to the location(s) of the Subscriber as identified by the provided VAT or GST identification number(s). Upon request, Subscriber shall promptly provide Upwork with proof of direct Tax payments made to applicable authorities. Subscriber shall promptly pay or reimburse Upwork for all costs and fines related to any liability incurred by Upwork as a result of Subscriber's non-compliance or delay with its responsibilities herein. Subscriber's obligation under this Section will survive the termination or expiration of this Agreement.
- f. **Purchase Order.** Notwithstanding any other provision in this Agreement, if Subscriber requires a purchase order to issue payment under this Agreement and Upwork has not received a copy of such purchase order, Upwork reserves the right to suspend Subscriber's access to the Platform until such purchase order has been received. If Subscriber requires a valid purchase order number to be attached to or entered in an invoice submission to Subscriber's portal, but a valid purchase order has not been provided to Upwork in a timely manner, the net payment term in the Service Order will be based on the date of the invoice generated by Upwork and not the date of invoice submission to Subscriber's portal.
- g. **Non-Circumvention.** If an employee or agent of Subscriber directly or indirectly engages the services of a Platform Freelancer through a source other than Upwork within two years after the date that such Platform Freelancer is first engaged by Subscriber, then Subscriber agrees to pay Upwork \$10,000 for each such

Freelancer. If upon Subscriber's request, Upwork finds a Freelancer that was not on the Platform and Subscriber engages such Freelancer through a source other than Upwork, Subscriber agrees to pay Upwork \$10,000 for each such Freelancer. This provision shall not apply to (i) BYO Freelancers or (ii) Freelancers responding to Subscriber's indirect solicitations (such as employment agency referrals and internet job postings).

#### 4. TERM AND TERMINATION.

- a. **Term.** This Master Subscription Agreement will begin on the Effective Date and will continue for the duration of the initial term length specified in the Order Form. Unless sooner terminated in accordance with the terms of this Master Subscription Agreement, this Master Subscription Agreement will expire one year after the expiration of the last Order Form.
- b. **Termination.** Upon a material breach of this Agreement by either party, the non-breaching party may terminate this Agreement immediately if such default continues and is not remedied within 30 days following written notice of default from the non-breaching party. Either party will have the right to terminate this Agreement immediately if the other party (i) becomes subject to any bankruptcy or insolvency proceeding under federal or state statute that is not dismissed within 30 days, (ii) becomes subject to direct control by a trustee, receiver or similar authority, or (iii) has wound up or liquidated, voluntarily or otherwise. Notwithstanding the foregoing, Upwork has the right to immediately suspend or terminate Subscriber's account and this Agreement if Upwork does not receive payment from Subscriber by the due date in this Agreement and all amounts owed under the Agreement will become immediately due.
- c. **Post-Termination Obligations.** Except for Subscriber's termination under the "Termination" section above, if Subscriber terminates its subscription to the Services or this Agreement prior to the end of the Term, in addition to other amounts Subscriber may owe Upwork, Subscriber will immediately pay any then unpaid Subscription Fees associated with the remainder of the current Term.
- d. **Effect of Termination and Survival.** As of the date either party provides notice of termination to the other, Subscriber will no longer be able to enter into new Engagements via the Platform. All projects in a working status as of the date such notice is provided (each a "Final Engagement") will remain active until completed, even if completion of the Final Engagement follows the termination date, unless otherwise agreed by the parties and the affected Freelancer(s). Notwithstanding any termination of this Agreement, Subscriber remains responsible for payment of all fees and payments owed to Upwork under this Agreement, including any Freelancer Payments and Costs. The sections and subsections titled "Fees and Payments", "Effect of Termination and Survival", "Intellectual Property", "Representations, Warranties and Disclaimers", "Confidentiality", "Indemnification", "Limitation of Liability", "Miscellaneous" and all of Subscriber's outstanding obligations, will survive any termination or expiration of this Agreement.

#### 5. INTELLECTUAL PROPERTY.

- a. **Ownership of the Platform and Services.** All rights in and to the Platform and Services, including any modifications made thereto and derivatives thereof, exclusively belong to and at all times will remain the sole and exclusive property of Upwork. All rights not expressly granted to Subscriber and its Authorized Users with respect to the Platform and Services are reserved by Upwork. Subscriber will not take or permit any third party to take any action with respect to the Platform or Services that is not expressly authorized under this Agreement.

- b. User Content. Subscriber hereby grants (and represents and warrants that it has the right to grant) Upwork a non-exclusive, worldwide, perpetual, full-paid, royalty-free, transferable, and sublicenseable license to use, sell, sublicense, reproduce, distribute, disclose, perform, display, prepare derivative works of, and otherwise exploit Subscriber's User Content for any lawful purpose.
- c. User Feedback. Upwork will own and have a royalty-free right to exploit any feedback, insights, and suggestions provided by or on behalf of Subscriber to Upwork concerning the functionality, features, and performance of the Platform, including without limitation the identification of errors or bugs or any suggested fixes or workarounds, improvements, modifications, or enhancements ("User Feedback"). Subscriber agrees that its provision of any User Feedback will be gratuitous, non-confidential, unrestricted, and made without any right to receive any compensation in return.
- d. Ownership of Freelancer Work Product. Ownership of all Freelancer Work Product will be governed by the Service Contract. Upwork will not own any Freelancer Work Product. In the event that ownership rights in Freelancer Work Product arising from an Engagement accrue to the benefit of Upwork, Upwork hereby assigns such rights to Subscriber.

NEITHER UPWORK NOR ANY OF ITS AFFILIATES OR SUBCONTRACTORS HAVE ANY RESPONSIBILITY FOR FREELANCER SERVICES OR FREELANCER WORK PRODUCT.

## 7. CONFIDENTIALITY.

- a. Obligations and Restrictions. The receiving party will: (i) keep the disclosing party's Confidential Information confidential; (ii) not disclose such Confidential Information to any third party other than an Authorized Recipient without the disclosing party's prior written permission; (iii) exclusively use such Confidential Information for its intended purpose; and (iv) not remove any copyrights, trademark notices, or other indications of confidentiality from such Confidential Information. - c. Return of Confidential Information. Upon termination of this Agreement or at the disclosing party's request, the receiving party will promptly return or destroy the disclosing party's Confidential Information that is in its or its Authorized Recipients' possession (including materials containing or based upon such Confidential Information). Upon request, the receiving party will also certify in writing its compliance with this provision.
